Adding products:

The screenshot shows a web browser window with the URL `file:///F:/Inventory/addproduct.html`. The page is titled "Inventory" and features a sidebar with navigation options: Dashboard, Product (selected), Product List, Add Product (active), Category List, and Add Category. The main content area is titled "Product Add" with the subtitle "Create new product". It contains a form with the following fields:

- Product Name: Text input field.
- Category: Dropdown menu with "Choose Category" selected.
- Sub Category: Dropdown menu with "Choose Sub Category" selected.
- Brand: Dropdown menu with "Choose Brand" selected.
- Unit: Dropdown menu with "Choose Unit" selected.
- SKU: Text input field.
- Minimum Qty: Text input field.
- Quantity: Text input field.
- Description: Large text area.
- Tax: Dropdown menu with "Choose Tax" selected.
- Discount Type: Dropdown menu with "Percentage" selected.
- Price: Text input field.
- Status: Dropdown menu with "Closed" selected.
- Product Image: Image upload area with a "Drag and drop a file to upload" instruction.

Adding supplier:

The screenshot shows a web browser window with the URL `file:///F:/Inventory/addsupplier.html`. The page is titled "Inventory" and features a sidebar with navigation options: Dashboard, Product, Purchase, People (selected), Customer List, Add Customer, Supplier List, and Add Supplier (active). The main content area is titled "Supplier Management" with the subtitle "Add/Update Customer". It contains a form with the following fields:

- Supplier Name: Text input field.
- Email: Text input field.
- Phone: Text input field.
- Choose Country: Dropdown menu with "Choose Country" selected.
- City: Dropdown menu with "Choose City" selected.
- Address: Text input field.
- Description: Large text area.
- Avatar: Image upload area with a "Drag and drop a file to upload" instruction.

Adding customer

The screenshot shows a web application interface for adding a customer. The browser address bar displays 'file:///F:/Inventory/addcustomer.html'. The application has a dark sidebar on the left with the 'Inventory' menu expanded, showing options like Dashboard, Product, Purchase, and People. The 'People' menu is further expanded, highlighting 'Add Customer'. The main content area is titled 'Customer Management' with the subtitle 'Add/Update Customer'. It contains a form with the following fields: 'Customer Name', 'Email', 'Phone', 'Choose Country' (a dropdown menu), 'City' (a dropdown menu), 'Address', 'Description' (a text area), and 'Avatar' (a file upload area with a cloud icon and the text 'Drag and drop a file to upload'). The top right of the interface includes a search icon, a notification bell with a red badge, and a user profile icon.
