

**PROJECT DEVELOPMENT – DELIVERY OF SPRINT 3****Sprint 3**

Sprint	Functional Requirement (Epic)	User Story Number	User Story / Task	Story Points	Priority
Sprint-3	Database	USN-7	Admin can access, view, modify, update alldetailsof the Inventory	20	High

**Adding products:**

The screenshot shows a web application interface for adding a new product. The browser address bar shows the file path: file:///F:/Inventory/addproduct.html. The application has a dark sidebar with navigation icons and a main content area. The sidebar menu includes 'Inventory' (selected), 'Dashboard', 'Product' (expanded), 'Product List', 'Add Product' (selected), 'Category List', and 'Add Category'. The main content area is titled 'Product Add' and 'Create new product'. It contains the following fields:

- Product Name: Text input field.
- Category: Dropdown menu with 'Choose Category'.
- Sub Category: Dropdown menu with 'Choose Sub Category'.
- Brand: Dropdown menu with 'Choose Brand'.
- Unit: Dropdown menu with 'Choose Unit'.
- SKU: Text input field.
- Minimum Qty: Text input field.
- Quantity: Text input field.
- Description: Text area.
- Tax: Dropdown menu with 'Choose Tax'.
- Discount Type: Dropdown menu with 'Percentage'.
- Price: Text input field.
- Status: Dropdown menu with 'Closed'.
- Product Image: Text input field.

## Adding supplier:

The screenshot shows a web application interface for adding a supplier. The browser address bar displays 'file:///F:/Inventory/addsupplier.html'. The left sidebar, titled 'Inventory', contains a menu with 'Dashboard', 'Product', 'Purchase', and 'People'. The 'People' menu is expanded, showing 'Customer List', 'Add Customer', 'Supplier List', and 'Add Supplier' (which is selected). The main content area is titled 'Supplier Management' with the subtitle 'Add/Update Customer'. It contains a form with the following fields: 'Supplier Name', 'Email', 'Phone', 'Choose Country' (a dropdown menu), 'City' (a dropdown menu), 'Address', 'Description' (a text area), and 'Avatar' (a file upload area with a cloud icon and the text 'Drag and drop a file to upload').

## Adding customer

The screenshot shows a web application interface for adding a customer. The browser address bar displays 'file:///F:/Inventory/addcustomer.html'. The left sidebar, titled 'Inventory', contains a menu with 'Dashboard', 'Product', 'Purchase', and 'People'. The 'People' menu is expanded, showing 'Customer List', 'Add Customer' (which is selected), 'Supplier List', and 'Add Supplier'. The main content area is titled 'Customer Management' with the subtitle 'Add/Update Customer'. It contains a form with the following fields: 'Customer Name', 'Email', 'Phone', 'Choose Country' (a dropdown menu), 'City' (a dropdown menu), 'Address', 'Description' (a text area), and 'Avatar' (a file upload area with a cloud icon and the text 'Drag and drop a file to upload').
